### **GLOBETROTTERS: 4 MONTHS – 2 YEARS**

SECURITY, REASSURANCE FOR PARENTS, SAFETY, ROUTINE

We understand that when it comes to looking after our youngest guests, good communication with parents is absolutely key.

Our experienced childcare team will take the time to get to know your child's routine and follow it as closely as possible to keep them happy and settled.

We also offer one of the best nanny to child ratios in the industry, with only two children under 2 years per nanny which ensures that they get plenty of individual attention whilst they play and discover.

We tailor the day's activities according to the climate and weather so the children won't be outside during the hottest part of the day, and when it's nap time, they can settle down in the specially designed sleep room, available in all our clubs.

We can also whip up delicious, fresh purees and other dietary requests, suited to your child's tastes all freshly prepared onsite on a daily basis. And you won't have to worry about nappies, swim nappies or wipes as these are all provided during club hours.

### **ADVENTURERS: 3 – 4 YEARS**

LEARNING, INTERACTIVE, TALKING, ENCOURAGING DEVELOPMENT

For these little Adventurers, every day is about discovering new things and exploring their surroundings, whether it's baking local delicacies or learning the mysterious art of capturing frogs.

With an excellent ratio of only four children to every nanny, they will enjoy an action packed week. Typical mornings could include burning off some energy with a game of short tennis, mini beast football heading off down to the beach for some games, all under the watchful eyes of the childcare team.

Every day they will enjoy a healthy, freshly made snacks and lunch (charge depending on meal plan booked of the parents) and a rest to recharge their batteries, before a fun packed afternoon developing their creative talents with activities such as dressing up games or shell painting.

### **VOYAGERS: 5 – 7 YEARS**

INDEPENDENT, CREATIVE, ACTIVE, ADVENTURE

We know that children love to make new friends on holiday and in the Voyagers age group there are plenty of opportunities for the children to share some exciting adventures.

They can improve their skills like golf, football and tennis. Down at the beach they can get stuck into beach cricket and other beach games, and there are daily pool activities to keep the water enthusiasts happy.

They will also get the chance to feel more independent as they head off-site on supervised excursions. Back at base, they can escape the heat of the afternoon and explore their creative sides with some t-shirt painting, junior chef sessions or mod rocking!

### **PIONEERS: 8 – 11 YEARS**

SOCIALISING, BALANCE OF INDEPENDENCE & FUN, SPORTY, OFF-SITE ACTIVITIES

For the Pioneers, it's all about providing the right balance of independence and fun. They have the chance to discuss with the kids club team what activities they do that week, and with an action packed programme of sporting and creative pursuits on offer, they will be spoilt for choice.

They can show off their existing skills and learn some new ones in a range of sports from basketball to football, tennis and golf. Or spend the day at the beach playing cricket or splash rounders, trying some new water sports or taking part in a swimming challenge.

We also organise a number of off-site trips or water sport activities and back at the club there are lots of activities available to encourage their creative flare.
