Kids experiences

Olive harvest: Like a treasure hunt. An olive treasure ready to become a valuable oil, the symbol of our region. An educational activity which lead the kids to experience a secular practice.

Farm Experience: a unique experience with local farmers. Kids will enjoy an experiential tour, meet farm animals, and be accompanied to discover spontaneous aromatic herbs among on the hills.

Go hiking: There are plenty of hiking trails in Sanremo and in the nearby valleys. Discover numerous hiking trails and enjoy family-fun activities that will have you planting, conserving, and exploring itineraries with a unique biodiversity according to the season.

Sanremo: travel across the continents discovering exotic plants in the Ormond gardens:

The Villa Ormond Garden, a green space in the heart of Sanremo, hosts plants from all over the world and reveals several natural treasures, prehistoric and rare plants with unusual leaves, cortex, pinecones, flowers and intense scents. After a brief introduction, we will organize a funny treasure hunt and the kids will discover trees, curious and rare plants like the camphor tree, the living fossil, the elephant foot and the giant tree.

Horseback riding: Kids and horses, love at first sight. Sanremo and its surroundings have historically been a destination for horseback riding, and the crowned heads of Europe know very well the facilities we offer in Sanremo and its countryside.

Aromatic and edible herbs sensorial lab: Touch, taste, observe, smell. On the Italian Riviera of Flowers we are specialists in growing flowers, and we have wonderful botanical gardens, boasting stunning views, gorgeous plants, herbs and flowers.

Let us arrange a tailor made Nature-themed weekend for your family.

Handmade creations with pasta: Do you eat Pasta in Italy? Of course you do! But you can do more than this with pasta... The kids know it very well because they adapt every object to reach their goals just like their first words. Will you surprise them or will they surprise you?

Creative “Sand Art” kids lab: filling small jars with colored sand and chinks. An easy and interesting activity, perfect for the little ones.
